“Un’esperienza davvero unica. Si percepisce la cura in ogni dettaglio, dalla scelta dei capi alla comunicazione. Finalmente un brand che racconta qualcosa di vero. Acquisterò di nuovo sicuramente!”

# About us

## About me

*Hi, I'm Gianmarco, the founder of RUST – a personal project born from a deep passion for authentic vintage clothing. I've been collecting for years, searching for pieces with real character and timeless style. Today, I've decided to open up my archive and share it with people who value uniqueness, quality, and the stories behind each garment.*

## Why RUST

*RUST isn't just a vintage shop. It's a curated selection. Every piece you see has been handpicked by me. No mass production, no trends – just respect for the past, a love for craftsmanship, and a more conscious way to wear fashion.*

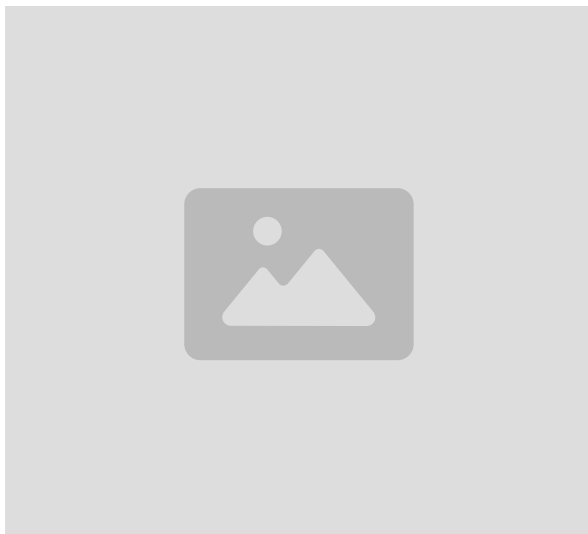

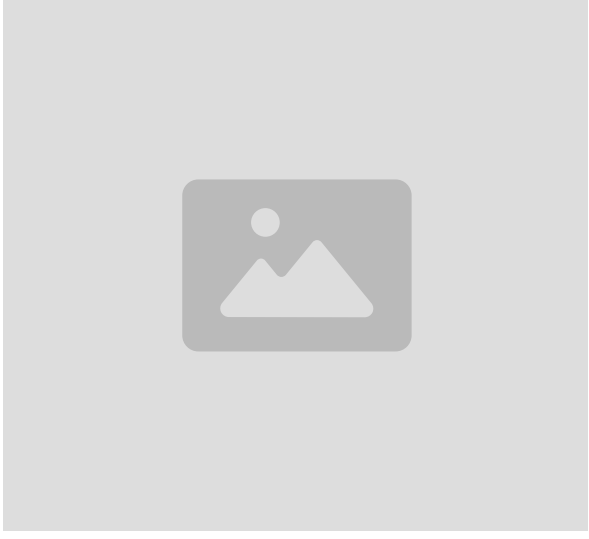

## What You'll Find

*One-of-a-kind items, carefully selected, full of history – and ready for a second life. Each garment tells a story. I find it, care for it, and pass it on.*

Discover timeless pieces with a soul.

Stories, inspiration, and vintage culture collected over time

This isn't a traditional blog. It's a personal space where I share thoughts, stories, and inspiration from the world of vintage clothing. Every post is tied to a garment, a discovery, or a reflection on time and style.
